Kujou's comments

I would like to thank you for buying the Jewel series.
In this series, it has two of the same characters as
the short series from before. "L-chick", "L-egg",
"Karyusei", "Sakura Chiru". I hope that I will
continue to do this. Ah, no. I will work harder...
don't you think so? That's why this time it's short too.
The next series is a special surprise for you.
Well, to pamper and get pampered,
it's a surprise for everyone.

Well, at the
moment I'm in this
state, I still have
time, right?
